

Bent Creek Farm – Grassfed Beef

Thank you for your interest in Bent Creek Farm Grassfed Beef. Enclosed you will find information for our June 2024 processing dates, including prices, cut sheets and helpful resources to better know what you will be receiving and how to maximize usage of all products.

2024 beef prices are **\$5.00 a pound** hanging weight. Hanging weight is the weight of the meat, organs and bones after it has been skinned and gutted. Average hanging weight per beef will be 550-600lbs. To secure your beef for June 2024 a nonrefundable **deposit of \$1,000** to Bent Creek Farm will be required. **Final payment to Bent Creek Farm must be paid before beef is picked up from Pleasant Valley Meat.**

All processing of beef will be done by Pleasant Valley Meat (500 Pleasant Valley Road, Farmville, VA) Drop off of live beef will be provided by Bent Creek Farm. Beef will age for 14 days, additional aging days are available at extra cost. Beef aging refers to the amount of time the meat has been stored and refrigerated after slaughter. Aging beef involves storing meat at refrigerated temperatures to enhance tenderness and flavor. Buyer will be responsible for filling out and sending cut sheets to Pleasant Valley. Bones can be cut to the size that you want and can be roasted and used for bone broth. All beef will be vacuum wrapped and labeled. **All processing fees will be paid by beef consumer.** Cut sheets, pickup and separate payment for processing will be handled directly with buyer and Pleasant Valley Meats.
